

Mrs. Ana Mitkova is Head of Public Procurement Register and Monitoring Directorate within Bulgarian Public Procurement Agency. Engineer and economist by education, she has been working in public procurement field for more than ten years, since the first EU compliant Public Procurement Law was adopted in 1999.

During the period 1999 – 2004 she was a chief expert in Public Procurement Directorate in the Council of Ministers. Since the Public Procurement Agency has been established in 2004, she has been working initially as an expert, and later as a head of directorate.

Her professional interests and duties are connected with Public procurement register establishment and development, including electronic procurement introduction.

Ana is a member of Publication Office e-Sender working group and is also contact person for e-Notification/e-Publication project for Bulgaria.
